

Association for the Advancement of Artificial Intelligence

- The Association for the Advancement of Artificial Intelligence (AAAI) is the premier scientific society dedicated to advancing the scientific understanding of the mechanisms underlying thought and intelligent behavior and their embodiment in machines.
- Membership open to subscription
- Many publications in AI Magazine, can also be found in the University of Pittsburgh-Health Sciences Library System, AAAI Proceedings, AAAI Technical Reports
- AAAI Conference on Artificial Intelligence from February 27 - March 2 held in Philadelphia Pennsylvania
- Association for the Advancement of Artificial Intelligence
601 Pennsylvania Ave, NW
Suite 900
Washington, DC 20004
USA
Telephone: 1-202-360-4062

Computing Research Association

- Uniting industry, academia and government to advance computing research and change the world.
- Requirements for membership: Employees actively engaged in computing research, if organization is an academic unit, it must offer a baccalaureate or higher degree in one of the computing disciplines
- CRA Quadrennial Papers
- CRA Leadership Academy, held every other year, February 20-21 in Washington DC
- 1828 L Street, NW, Suite 800, Washington, DC 20036-4632
- Tel: 202-234-2111

Journal of Computer Science

- Science Publications
- Dedicated to advancing computer science by publishing research and articles that span both theoretical foundations and practical applications in information, computation, and computer systems.
- Monthly publications
- ISSN: 1549-3636 (Print)
- ISSN: 1552-6607 (Online)
- Can create account on their website and submit through their process

IEEE Transactions on Pattern Analysis and Machine Intelligence

- IEEE Computer Society
- Publishes articles on all traditional areas of computer vision and image understanding, and selected area of machine intelligence, with a particular emphasis on machine learning for pattern analysis
- Monthly publications
- Can submit online on their website

National Science Foundation

- Federal, all 50 states and US territories
 - Supporting funding and accelerating new technologies and big ideas
 - Many events throughout each month National Science Foundation, 2415 Eisenhower Avenue, Alexandria, VA 22314
- (703) 292-5111

National Institute of Standards and Technology

- Federal, all 50 states and US territories
 - To promote U.S. innovation and industrial competitiveness by advancing measurement science, standards, and technology in ways that enhance economic security and improve our quality of life.
 - Technology Partnerships Office, helps develop practical technology
